DH-5

Compact and portable

Continuous Draining

Ideal for boats and RV's

Stainless Steel Marine and RV Dehumidifier

PROTECT YOUR
INVESTMENT FROM THE
HARMFUL EFFECTS OF HUMIDITY

DH-5 DEHUMIDIFIER

Designed for Boats and RV's

Dehumidifiers are an excellent way to remove excess humidity from the air to keep your boat or RV dry. Excessive moisture can cause mold and mildew and other damage to your investment.

Keep the water where it belongs..under the keel!

A MUST FOR ALL DRY AIR APPLICATIONS

Compact

- 15" x 12" x 12"
- Stores in closet on board when not in use

Lightweight

- Only 28 lbs.

Portable

- Easy to handle and move.

Rugged Construction

- Stainless steel cabinet and coil prevents rust and corrosion

No Wheels or Legs

- Will sit flush on countertop or shower floor
- Drains directly into sink

Continuous Draining

- No drain pans to empty

Energy Efficient

- Power use equivalent to a 150-Watt light bulb
- Reduces onboard A/C energy usage

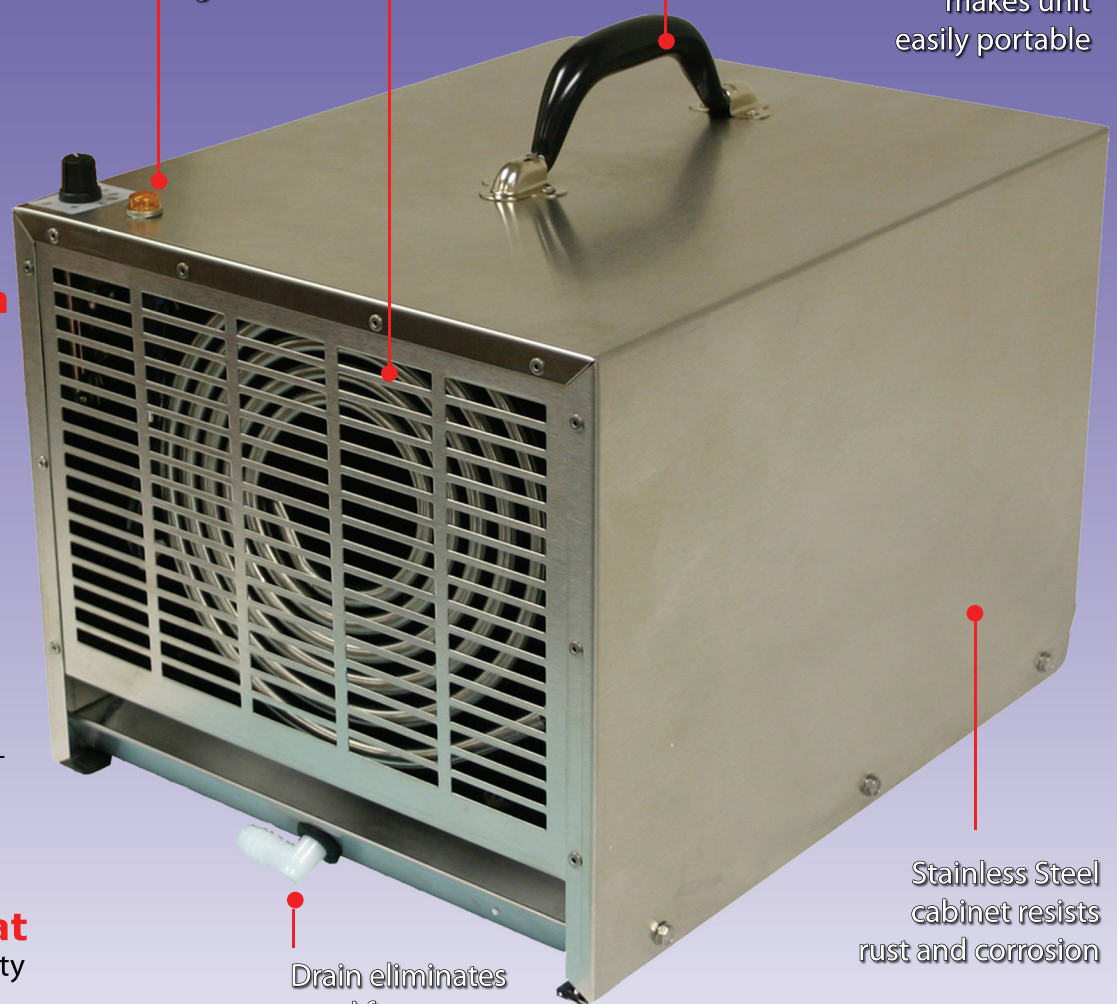

Automatic Humidistat

- Automatically controls humidity at user selectable preset

On/Off Indicator Light

Stainless Steel Coil

Convenient carrying handle makes unit easily portable

Drain eliminates need for messy drain pans

Stainless Steel cabinet resists rust and corrosion
