

COMMERCIAL PRODUCT WARRANTY

McIntire warrants each of its products set forth below against defects in material and workmanship for the period set forth in connection with such product, when installed, maintained and operated in accordance with the instructions. Such warranty is limited, in McIntire's discretion, to the repair or replacement of defective items or the refund of the purchase price paid to McIntire therefore. McIntire assumes no responsibility for damage due to improper installation or operation of the equipment above the rated capacity; whether intentional or otherwise.

AIR DRYERS: Three (3) years from the date of shipment.

COMPRESSORS: (Air Dehydrator) Replacement compressors obtained during any warranty period are warranted only to the end of the original warranty period of 3,000 hours. Replacement compressors purchased separately are warranted for 3,000 hours from the date of shipment.

It is expressly understood and agreed that the Seller shall not be liable for special, indirect, or consequential damages: or shall any recovery of any kind be greater in amount than the purchase price of the items sold. Buyer assumes all risks and liability for loss, damage or injury to persons or property of Buyer, or others, arising out of the use or the possession of any item sold hereunder.

THERE IS NO WARRANTY OF MERCHANTABILITY OR FITNESS AND THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, EXCEPT AS SET FORTH ABOVE.

Note: To protect your Warranty, the return of components believed to have failed within the warranty must be done with the approval of the McIntire Service Department, freight prepaid. Contact McIntire Service at (860) 585-0050 regarding a Return Goods Authorization (R.G.A.) form for component return. Replacement components are billed upon shipment. The returned component will be evaluated for possible "in-warranty" determination.
